FULL TEXT OF THE NOTICE

A. Program description

A.1. Purpose of AmeriCorps state and national funding

AmeriCorps improves lives, strengthens communities, and fosters civic engagement through service and volunteering. AmeriCorps brings people together to tackle some of the country's most pressing challenges through national service and volunteerism.

AmeriCorps grants are awarded to eligible organizations that engage AmeriCorps Volunteers in evidence-based or evidence-informed interventions to strengthen communities. An AmeriCorps Volunteer is a person who does community service through AmeriCorps. Volunteers may receive a living allowance and other benefits. After successful completion of their service, Volunteers earn a Segal AmeriCorps Education Award they can use to pay for higher education expenses or apply to qualified student loans.

A.2. Funding priorities

AmeriCorps' priorities for this funding opportunity are:

Faith-based

- Organizations that are faith-based.

Serve communities

- **Serve communities with concentrated poverty**, rural communities, and tribal communities.
- Implement programs for or **expand access to high-quality youth mental health and substance use recovery services** and prepare AmeriCorps Volunteers to enter behavioral health careers. These may include individuals who have experienced substance use and mental health challenges.
- **Focus on improving quality of life for veterans, active-duty Volunteers of the Armed Forces, and their families** through models that provide effective interventions or services or that are designed to recruit veterans, military spouses, and their older children into national service, e.g., veterans serving in mentorship roles.
- Focus on public safety, crime prevention, and/or partnerships between law enforcement and the community.
- **Focus on expanding outdoor recreation opportunities for future generations** by maintaining public lands; supporting wildland fire mitigation and sustainable forest management; and providing reforestation services.
- **Create workforce pathways for AmeriCorps Volunteers**, including deliberate training, such as pre-apprenticeship and apprenticeship opportunities, certifications, and hiring preferences or support.
- **Focus on strengthening families**, e.g., activities that aim to support low-income parents through parenting education, responsible parenting and healthy relationship skills.

Benefit AmeriCorps Volunteers

- **Enhance Volunteer experience** by providing opportunities for skill attainment, personal growth and connection to the community they are serving in support of a lifetime of civic participation.
- **Enhance and expand services to formerly incarcerated and at-risk youth** and/or engage those youth as AmeriCorps Volunteers.

Use evidence

- Utilize reports from the AmeriCorps Evidence Exchange on programs assessed as having Moderate or Strong evidence to scale, replicate, or adapt the intervention; **or** demonstrate any evidence supporting the performance data described

To receive priority consideration, applicants must show that the priority area is a significant part of the program focus and intended outcomes and must include a high-quality program design. Proposing programs that receive priority consideration does not guarantee funding.

A.3. Performance goals or expected outcomes

National performance measures

All applications must include at least one aligned performance measure, output and outcome, that corresponds to the proposed primary intervention. This may be a national performance measure or an applicant-determined measure. For more information, refer to the National Performance Measure Instructions on the AmeriCorps State and National Grants webpage.

A.4. Program authority

Awards under this Notice are authorized by the National and Community Service Act of 1990, as amended, (42 U.S.C. §12501 et seq.).

B. Federal award information

B.1. Estimated available funds

AmeriCorps expects a highly competitive AmeriCorps grant competition. Given limited funding, AmeriCorps may prioritize funding existing partners instead of making new awards. The actual level of funding depends on annual appropriations.

B.2. Estimated award amount

Award amounts will be determined by the scope of the projects.

B.3. Period of performance

AmeriCorps plans to make three-year grant awards. AmeriCorps generally makes an initial award for the first year of the three-year period of performance. Applicants must submit a one-year budget. Applicants may propose a project start date that fits their program design. The period of performance may not start before July 1, 2027. Continuation awards for subsequent years are not guaranteed; they depend upon availability of appropriations and satisfactory performance.

B.4. Type of award

AmeriCorps makes available different types of grants. The chart below summarizes these grant types and their distinct characteristics.

B.5. Cost sharing or matching

Cost reimbursement grants

Applicants are required to match funds provided by AmeriCorps. The applicant's match can be non-AmeriCorps cash and/or in-kind contributions. Applicants must show that they can meet the match requirement when they submit the application. Applicants must say in their application if they have already secured the match funding.

A first-time successful applicant is required to match at 24 percent for the first three-year funding period. Starting with year four, the match requirement gradually increases every three years to 30 percent by year 10.

Table 3. AmeriCorps funding year and grantee share requirements

AmeriCorps funding year	Years 1, 2, and 3	Years 4, 5, and 6	Years 7, 8, and 9	Years 10+
Grantee share requirements	24%	26%	28%	30%

Match waiver

Please use the Match Waiver information for AmeriCorps State and National grantees located on AmeriCorps Manage Your Grant*. AmeriCorps encourages Tribal Nations to request match waivers to reduce barriers. Every effort will be made to reduce the match requirements to improve accessibility to funding.*

Fixed amount grants

There is no cost share or matching requirement for fixed amount grants. AmeriCorps does not provide all the funds necessary to operate the program. Organizations should raise the funds needed to operate the program.

C. Eligibility information

C.1. Eligible applicants

The following non-Federal entities (all of which are defined in 2 CFR 200.1 or 42 U.S.C. 12511(21)) are eligible to apply:

- Indian Tribes;
- institutions of higher education;
- local governments, including school districts;
- nonprofit organizations;
- State Service Commissions (submit sub-applicants but not operate programs); and
- states and US Territories.

In addition to Indian Tribes as defined in 2 CFR 200.1, Tribal organizations that are controlled, authorized, or chartered by Federally recognized Indian Tribes are also eligible to apply. If an entity applies for an award as a tribal organization that is controlled or chartered by one or more Indian Tribes [and the organization does not meet any of the other applicant eligibility types], the organization must provide copies or links to documentation that demonstrates that the organization is controlled or chartered by a federally recognized Indian Tribe. If an entity applies as an organization authorized by a federally recognized Tribe, or multiple specific federally recognized tribes, it must submit a resolution or other authorization adopted by the Tribal Council (or comparable tribal governing body) of each Indian Tribe. The authorization(s) must identify the entity applying for an AmeriCorps award by name as a tribal organization that is authorized by the Indian Tribe(s) for the purpose of applying for AmeriCorps funding (or federal grant funds generally).

Applicants must have a valid SAM registration and Unique Entity Identifier to receive an award. See Section D.3. Unique Entity Identifier and System for Award Management (SAM) for more information.

New applicants

Serve Idaho strongly encourages existing programs that have not received prior funding from AmeriCorps to apply as a new applicant. Applicants for competitive funding must have completed at least one three-year grant cycle in Serve Idaho's formula portfolio.

New applicants are not eligible to apply for cost reimbursement and Education Award Program (EAP), and Professional Corps grants but are not eligible to apply for full-cost fixed-amount grants.

Types of applicants

1. State and territory service commissions, for single-state applicants

Organizations that plan to operate in only one state must apply through the state or territory commissions. Each Commission has its own state-based selection process and submits applications to compete for funding directly to AmeriCorps.

2. National direct applicants

Multi-State: Organizations that plan to operate AmeriCorps programs in more than one state or territory apply directly to AmeriCorps.

States and Territories without State Service Commissions: Applicants in South Dakota, American Samoa, the Commonwealth of the Northern Mariana Islands, and the U.S. Virgin Islands apply directly to AmeriCorps because they do not have an established commission.

Federally recognized Indian Tribes: Applicants that are Indian Tribes apply directly to AmeriCorps.

In addition to Indian Tribes, as defined in 2 CFR 200.1, tribal organizations that are

controlled, authorized, or chartered by Federally recognized Indian Tribes are also eligible to apply directly to AmeriCorps.

Federally recognized Indian Tribes will also be eligible to apply for operating or planning grants under a separate Notice of Funding Opportunity for Indian Tribes at AmeriCorps Funding Opportunities with an application deadline in the spring.

Threshold issues

Specific types of applicants must meet the following requirements:

- Professional Corps must show that the community where it will place AmeriCorps Volunteers has a shortage of professionals in the relevant area, e.g., teachers, medical professionals, etc.
- If service activities require special AmeriCorps Volunteer qualifications and/or training, such as tutoring programs (as defined in 45 CFR Part 2522 Subpart F), the applicant must describe how these requirements will be met.
- All applicants must propose program designs that are either evidence-based or evidence-informed (See section E.1.b (2) Evidence Base). Applicants rated as insufficient evidence are removed from funding consideration. Insufficient evidence is determined by:
- An applicant being assessed as in the pre-preliminary evidence tier AND
- providing inadequate responses to the Evidence Quality review standards below.
- All Fy2027 competitive applicants must submit an application that proposes to enroll a minimum of 20 AmeriCorps Volunteers. New /recompete and continuation competitive applications with fewer than 20 Volunteers will be deemed noncompliant and will not be reviewed. The minimum of 20 AmeriCorps Volunteers does not apply to FY 2026 continuation competitive applicants in Year 2 or Year 3, Indian Tribe applicants, Tribal organizations that are controlled, authorized, or chartered by Federally recognized Indian Tribes, or formula applicants.

C.2. Other eligibility requirements

Even if an organization is otherwise eligible under C.1, an organization is not eligible if:

- It has violated a federal criminal statute.
- It proposes activities that are not allowed under AmeriCorps' laws, rules, or terms and conditions.
- It has any unpaid federal taxes that are not being paid through an agreement with the relevant tax authority. However, this does not apply if a federal agency decides that a suspension or debarment for the corporation is not necessary.
- It is described in the Internal Revenue Code of 1986, 26 U.S.C. §501 (c)(4) and lobbies.

Use the SAM Quick Guide for Grantees at the Federal Service Desk for more information.

AmeriCorps suggests that applicants finalize a new registration or renew an existing one at least three weeks before the application deadline, to allow time to resolve any issues that may arise. Applicants must ensure that their registration will remain active through the intended award date identified in Section F of this Notice. Applicants must use their SAM-registered legal name and physical address on all grant applications to AmeriCorps. The legal applicant's name and physical address in the eGrants must match exactly the applicant's SAM-registered information.

Applications must include a valid Unique Entity Identifier (UEI), which is generated as part of the SAM registration process. AmeriCorps will not make awards to entities that do not have a valid SAM registration and UEI.

Applications must include an Employer Identification Number. The UEI and Employer Identification Number must be entered by the organization's Grantee Administrator as an organization attribute, and this will apply the information to all applications for the organization.

Communication with Serve Idaho staff is not a substitute for a written explanation. Applicants are required to continue working in eGrants and with the AmeriCorps Hotline to submit the application.

Serve Idaho will not consider an advance request to submit a late application. Please carefully review and follow the guidance in this section and submit your application as soon as possible.

D.5. Intergovernmental review

This Notice is not subject to Executive Order 12372, Intergovernmental Review of Federal Programs.

D.6. Funding restrictions

D.6.a. Award Funding Requirements

1. Volunteer Living Allowance

A living allowance is not considered a salary or a wage. Programs are not required to provide a living allowance for Volunteers serving in less than full-time terms of service. If a program chooses to provide a living allowance to a less than full-time AmeriCorps Volunteer, it must follow the limits in the table below. Organizations applying for Cost Reimbursement grants must include the living allowance in the budget, either as AmeriCorps share or match.

Fixed Amount grant applicants must give AmeriCorps Volunteers a living allowance that follows the minimum and maximum amounts in the chart below and should indicate that amount in the application.

Table 3. Minimum and maximum living allowance

Slot types	Min. of hours	Min. living allowance	Max. total living allowance
Full-time	1,700	$20,954	$41,908
Three-quarter-time	1,200	n/a	$29,336
Half-time	900	n/a	$20,954
Quarter-time	450	n/a	$10,896
Minimum-time	300	n/a	$8,801

Exceptions to the Living Allowance Requirements

a) **Programs existing prior to September 21, 1993**, do not have to offer a living allowance. If an organization chooses to offer a living allowance, it does not have to pay its AmeriCorps Volunteers the minimum but cannot exceed the maximum.

b) **Education Award Program (EAP) Grantees** are not required to provide a living allowance. If an organization chooses to offer a living allowance, it does not have to pay its AmeriCorps Volunteers the minimum but cannot exceed the maximum.

c) **Professional Corps Grantees** must provide Volunteers a living allowance or salary. Organizations must pay Volunteers the minimum and can exceed the maximum. Professional Corps Volunteer salaries and benefits including childcare cannot be included in the federal share budget request to AmeriCorps.

2. Maximum cost per Volunteer Service Year

The AmeriCorps cost per MSY is determined by dividing the AmeriCorps share of budgeted grant costs by the number of MSYs requested. It does not include childcare or the value of the education award a Volunteer may earn.

AmeriCorps is keeping the maximum cost per MSY at the same amount as FY 2025 as a safeguard to ensure the number of Volunteers serving remains the same or grows.

Table 4. Maximum cost per MSY

Grant program	Maximum
Individual Competitive State/Territory Program (cost reimbursement)	$26,800
Multi-state competitive (cost reimbursement)	$26,800
Professional Corps competitive Fixed Amount Applicants/Grantees	$1,000*
Full-cost competitive Fixed Amount Grant	$26,800
Education Award Program (EAP) Fixed Amount Grant (competitive and formula)	$800 or $1,000**
All non-EAP formula subgrants	$27,000***

*AmeriCorps requires Professional Corps programs to cover the operating expenses associated with the AmeriCorps program through -non-AmeriCorps resources. AmeriCorps will only consider operating funds of up to $1,000 per MSY if an applicant is able to show significant organizational financial need.

** For the Education Award Program, AmeriCorps may provide a maximum of $800 per individual enrolled in an approved national service position. If at least 50 percent of a program's enrollees are disadvantaged youth, AmeriCorps may provide $1,000 per enrollee, 42 U.S.C. § 12581a.

***$18,000 adjusted for inflation as measured by the Consumer Price Index for all Urban Consumers (As of May 2026 CPI was 0.35).

AmeriCorps may 1) treat an applicant as a professional corps if they meet the legal requirements for a professional corps (even if they did not submit a professional corps application); and 2) decide not to provide a grant to an organization that it determines cannot operate effectively without AmeriCorps operating funds.

3. Costs associated with evidence building activities e.g. performance data collection and management, foundational research, program evaluation, etc.

As noted in 2 CFR § 200.455, costs associated with evidence building activities are allowable expenses or match under AmeriCorps grants. This includes costs related to performance data collection and management, foundational research, program evaluation, and related activities.

D.6.b. Indirect Costs

Application budgets may include indirect costs. Based on qualifying factors, applicants may use a Federally approved indirect cost rate if they have one and if not, may use either –

i. a 15 percent de minimis rate of modified total direct costs outlined in Indirect Cost Guidance; or
ii. may claim certain costs directly (2 CFR 200.413).

All methods must be applied consistently across all Federal awards. No more than five percent of award funds may be used to recover indirect costs on AmeriCorps State and National grants under section 121(d) of the National and Community Service Act of 1990, as amended and AmeriCorps' regulations at 45 CFR 2521.95 and 2540.110.

Use the eGrants Indirect Cost Rate (IDCR) User Instructions to enter the organization's Federal negotiated indirect cost rate or the de minimis rate information. Applicants should not submit documentation addressing the cost rate agreement via email.

Please note: To request a federally negotiated indirect cost rate agreement, when AmeriCorps is the applicable cognizant agency for an organization's indirect costs, the applicant must submit a request to IndirectCostRate@americorps.gov. The applicant may also obtain instructions and additional information by contacting the email address above.

D.6.c. Pre-award costs

Applicants funded under this Notice are approved for pre-award costs for 90 days where such costs are incurred in anticipation of the award and are necessary for efficient and timely

performance of the scope of work. prior to the start of their program. See the Mandatory Supplemental Information for more detail.

D.7. Other submission requirements

D.7.a. Electronic application submission

Applicants must submit applications electronically via Grant Gateway Application and eGrants, AmeriCorps' web-based application system, after the application is approved through Serve Idaho(see application instructions for more details).

The applicant's authorized representative must be the person who submits the application. The authorized representative must use their own account to sign and submit the application.

Applicants should contact the AmeriCorps Hotline at 800-942-2677 if they have a problem when they create an account, prepare, or submit the application in eGrants. Information about the AmeriCorps Hotline hours are also posted on the AmeriCorps Hotline webpage.

    - Target population for the intervention (e.g., disconnected youth, third graders at a certain reading proficiency level).
- The measurable outputs that result from delivering the intervention (i.e., number of beneficiaries served, types and number of activities conducted). If applicable, identify which National Performance Measures will be used as output indicators.

Programs should include short, medium, or long-term outcomes. Applicants are not required to measure all components of their Logic Model. The applicant's performance measures should be consistent with the program's Logic Model and should represent significant program activities.

Applicants with multiple interventions should include the above information for each intervention in the logic model.

2. Evidence base, 20 points

The assessment of an applicant's evidence base has two parts. First, the applicant will be assigned to an evidence tier. Second, the quality of the applicant's evidence, how the evidence aligns with funding priorities (A.2 Funding Priorities section), and how the evidence supports the proposed program.

Evidence tier, 12 points

Each applicant will receive an evidence tier assessment. This is based on the relative strength of the applicant's evidence base and the likelihood that the proposed intervention will lead to the outcomes identified in the Logic Model narrative.

AmeriCorps values and funds programs at all points along the evidence continuum and expects programs to progress along the evidence continuum over time. Thus, **applicants should not be deterred from applying for funding due to their current evidence level**. In 2026, the evidence tiers of successful AmeriCorps State and National applicants that were competing were as follows: 57% Strong, 11% Moderate, 25% Preliminary, 7% Pre-Preliminary.

To qualify for the preliminary, moderate, or strong evidence tier, applicants may submit up to two evidence documents, plus the evaluation report from their last three-year grant cycle, if applicable. If multiple evidence documents are submitted by the applicant, the most recent – as measured by the date of completion or publication– will be reviewed first, and any documents submitted beyond the allowable number will not be reviewed.

The intervention evaluated in the submitted evidence documents must match the intervention proposed by the applicant in the Community and Logic Model sections of the application. (Use the Mandatory Supplemental Information for a definition of the same intervention). Applicants must meet all requirements of an evidence tier to be considered for that tier.

Submitted evidence documents that do not sufficiently match the intervention will not be reviewed or receive any points.

In the Evidence Tier section of the application narrative, applicants must:

- Summarize the study design and key findings of the evidence documents submitted, plus, if applicable, the evaluation report from their last three-year grant cycle; and
- Describe any other evidence that supports their program, including past performance measure data and/or other research studies that inform their program design.

Applicants should provide citations for the studies they describe.

Evidence quality, 8 points

Reviewers will score the quality of an applicant's evidence and the extent to which it supports the proposed program design.

Standards for scoring in the preliminary, moderate, or strong evidence tiers:
Submitted evidence documents:

- Are of satisfactory methodological quality and rigor for the type of evaluation conducted e.g., adequate sample size and statistical power, internal and/or external validity, appropriate use of control or comparison groups, etc.;
- Describe evaluations that were conducted relatively recently, preferably within the last six years; and
- Show a meaningful and significant positive effect on program beneficiaries or AmeriCorps Volunteers in at least one key outcome of interest.

Standards for scoring in the Pre-Preliminary evidence tier:

- The applicant uses relevant evidence, including past performance measure data and/or cited research studies, to inform their proposed program design;
- The described evidence is relatively recent, preferably from the last six years; and
- Show a meaningful and significant positive effect on program beneficiaries or AmeriCorps Volunteers in at least one key outcome of interest.

That could include but is not limited to structure for AmeriCorps Volunteer supervision: cadence and format of supervisor/ AmeriCorps Volunteer check-ins, AmeriCorps Volunteer and supervisor opportunities to assess strengths and opportunities for growth, AmeriCorps Volunteer training plan, etc. Applicants should identify best and/or evidence based practices for successful Volunteer supervision.

E.1.d. Cost-effectiveness and budget adequacy, 25 percent

1. Volunteer recruitment, 7 points

E.g., additional AmeriCorps Volunteer benefits such as paying above the minimum living allowance, supporting workforce pathways, certifications, coaching for AmeriCorps Volunteers, resume building, individual benefit as well as community building, network building, AmeriCorps Volunteer recognition, alumni programming, etc. Applicants should identify best or evidence based practices for successful Volunteer retention.
