

*The Governor's Commission
on Service and Volunteerism*

BEST COMMISSIONERS EVER!

Our mission is to inspire and recognize volunteers and empower communities through service and AmeriCorps to solve Idaho's unmet needs.

HOW DO WE SUPPORT OUR MISSION?

EVERY YEAR

- Have fun!!!
- Let's get some money! Assist in acquiring in-kind and monetary support for Serve Idaho activities by asking for donations, facilitating connections between askers and potential donors, and/or participation in thanking donors.
- Support Serve Idaho to do what we do best! Actively participate in one standing committee (Governance, Outreach, or Program).
- Support national days of service in your community by volunteering.

EVERY TWO-YEARS

- Let Idaho know who we are and what we do: Actively participate in an event as a Serve Idaho representative (such as a local community volunteer recognition event, speaker at a conference, volunteer at the Serve Idaho conference, National Day of Service event, etc.).
- Help our commission to grow, to provide better services, and to stay on track with current needs: Serve on one ad hoc committee/work group.
- Learn about spectacular organization's helping Idahoans every day and fantastic volunteers and donors: Serve as a reviewer for AmeriCorps grants **AND** for Idaho Philanthropy Days nominations.
- Get to know our grantees and AmeriCorps members: Participate in a site visit by interviewing either a member or site supervisor.
- Volunteer in your community!
