State Service Plan Overview

Serve Idaho’s 2022-2024 State Service Plan is a three-year plan which describes the Commission priorities and goals. The three-year state plan is effective January 1, 2022 and will guide the work of the Serve Idaho Commission.

Public input was critical in the development of this State Service Plan. Input was gathered through a survey; 151 individuals from throughout Idaho responded to the survey, providing input on state volunteer and AmeriCorps priorities.

Comments are welcome at any time and will be considered on an annual basis when the State Service Plan is updated. Please submit comments to renee.bade@labor.idaho.gov.

Serve Idaho Commission History

Serve Idaho, the Governor’s Commission on Service and Volunteerism, was established through [Executive Order](#) by Governor Cecil D. Andrus in 1994 as a result of the National and Community Service Trust Act of 1993 and the creation of AmeriCorps. The Commission was established to advise and assist in the development and implementation of a comprehensive, statewide plan for promoting volunteer involvement and citizen participation in Idaho, as well as to serve as the state’s liaison to national, state and community organizations which support the intent of the National and Community Service Trust Act.

Serve Idaho, a division of the Department of Labor, is funded by grants from AmeriCorps and through cash and in-kind donations from state and local partners. Serve Idaho is funded in part by AmeriCorps and the Idaho Department of Labor and does not receive general funds from the state.

Serve Idaho Commission Mission & Vision

The mission of Serve Idaho is ***“To inspire and recognize volunteers and empower communities through service and AmeriCorps to address Idaho’s unmet needs.”*** Our mission guides our vision that ***“Every Idahoan contributes to the betterment of our state by giving their time, talents, and treasures.”*** We administer and oversee the AmeriCorps programs and bring together Idahoans from all walks of life and organizations across the state to increase civic engagement and meet community needs. We are committed to achieving the highest possible impact with our resources and ensuring effective management and full compliance for our AmeriCorps programs.

Serve Idaho Programs

The Commission's work is carried out primarily through the following programs which engage Idahoans of all ages in service and volunteerism.

- **AmeriCorps** – Provides opportunities for Idahoans of all ages to help meet critical needs and make communities stronger. AmeriCorps members address issues such as, but not limited to — children's health, improvement of schools, environmental protection, veteran and military family support and volunteer recruitment and training.
- **Training and Professional Development** – The annual Serve Idaho Conference provides AmeriCorps members with professional development training. Additionally, we partner with the Idaho Nonprofit Center and the Southwest Idaho Directors of Volunteer Services (SWIDOVs) to provide training to volunteer administrators representing the public and private sectors, service-learning educators and community volunteers.
- **Award Recognition** – Serve Idaho partners with the Idaho Nonprofit Center to recognize Idaho's top volunteers and philanthropists from throughout the state.

AmeriCorps

Serve Idaho supports the strategic goals of our federal funding agency, AmeriCorps. The Commission receives most of its funding from AmeriCorps and appreciates the impact it has in our communities. This funding allows us to meet critical needs and expand the reach of national and community service in Idaho.

AmeriCorps Mission Statement: To improve lives, strengthen communities and foster civic engagement through service and volunteering.
